## Day Camp 2023

We are continuing to use our camper registration system, Campbrain, to register Day Camp participants. This link is on our website under the heading: **Documents**.

***The registration process for parents or guardians is as follows:***

1. Click on the link to be redirected to our [Campbrain website](#).
2. **SIGN IN** to your online account or **CREATE A NEW USER ACCOUNT** by entering your first name, last name, email and creating a password (must contain at least one letter and at least one number).
3. Click "start application" under Day Camp 2023.
4. Select your camper or click "Add a Child". Confirm information or add information on new child. Select or add any children who will be attending.
5. Select your Day Camp and click "add to cart".
6. Complete the Forms.
7. **Make sure to follow the pages though until you can click the "submit application" button.**

**Note:** Cross Trails Ministry will **NOT** be collecting payment. Campers will need to pay the church directly for their week at Day Camp by 5:00pm June 5, 2023. The fee is \$5.00 per camper.

**Volunteer Registration:** Please register any volunteers that will be working directly with campers using the paper form provided on this website. These should be turned in to the Church Office when paying for your camper. **There is no fee for volunteering.** There will also be a Volunteer Training Meeting the volunteers will need to attend. **Volunteers do not register on our online system. This is for Day Camp participants only.**
